CASE NO. 04-118E (SJM)

DECLARATION OF MARILYN A. DORN,
INFORMATION REVIEW OFFICER,
CENTRAL INTELLIGENCE AGENCY

I, MARILYN A. DORN, hereby declare and state:

1. I am the Information Review Officer ("IRO") for the Directorate of Operations ("DO") of the Central Intelligence Agency ("CIA"). After serving eighteen months as Associate DO/IRO, I was appointed to my current position on 1 August 2003.

2. The DO is responsible for and maintains records of all clandestine foreign intelligence and counterintelligence activities and operations conducted by the CIA with respect to human sources. DO records are maintained at CIA Headquarters in Fairfax, Virginia, and in archival storage in the normal course of CIA business.

3. I have access in my official capacity to all DO records. My official responsibilities include the search for and retrieval of DO records pursuant to requests for information concerning CIA operational and intelligence activities.

4. Further, I serve as Records Validation Officer ("RVO") for purposes of this litigation. As RVO, I am granted access to all CIA records on any subject relevant to this litigation and authorized to sign declarations on behalf of the CIA regarding CIA searches for records, as well as the contents of any located records, including those located in or containing information under the cognizance of CIA Directorates other than the DO.

5. I make the following statements based upon my personal knowledge and information made available to me in my official capacity.

6. If the CIA had any sort of involvement or relationship with Kurtis E. Armann, a record indicating such a fact would have been created and retained in the normal course of CIA business, and these searches would have located such a record.

7. Thorough and diligent records searches were conducted of the appropriate CIA record systems for any information pertaining to Kurtis E. Armann, the petitioner. This comprehensive search for all records indexed to the petitioner's name, the results of which were provided to me in my official capacity, located no identifiable records indicating that the

CIA had any sort of involvement or relationship with Kurtis E.
Armann.
